

OUR OFFICE IS REOPENING ON MAY 18TH!!

WE CAN'T WAIT TO SEE YOU!

REST ASSURED! IN ADDITION TO MAINTAINING STRINGENT OSHA AND CDC GUIDELINES FOR INFECTION CONTROL, WE ARE ADDING THE FOLLOWING ADDITIONAL PROTOCOLS TO CONTINUE OUR EFFORTS TO KEEP EVERYONE SAFE.

WELLNESS SCREENING FORM

Upon arrival, our assistants will ask you to complete a brief screening form for each patient and temperatures will be taken on anyone entering the office.

CURBSIDE WAITING ROOM

If you choose not to accompany your child into the office for their appointment, or if you have any additional guests with you other than the patient, we ask that you wait in your car for the duration of the appointment.

SOCIAL DISTANCING

We must limit the number of people in the office to adhere to Oregon's social distancing guidelines. For this reason, we ask that only one guardian per family accompanies patients to their appointment. If you do choose to remain with your child/children for their appointment, you will be required to wear your own mask for the duration of the time you are in the office. Your temperature will also be taken upon arrival.

WELCOME TABLE

We will be waiting for you when you arrive! At our welcome table, you will be asked to use the hand sanitizer provided, complete the screening form and have temperatures taken. We will ensure that you have a facemask if you choose to come inside and we will review what is planned for the appointment to ensure that all of your questions are answered.

RESCHEDULING APPOINTMENTS

If you or anyone in your household aren't feeling well, we kindly ask that you reschedule your appointment with advanced notice.
